Tanya Marshall / Stand with Ukraine

I am Tanya Marshal from Ukraine. Ipswich has been my home for 15 years as a resident and business in town, Twin's Chic. It is my hope that the people of Ipswich, with their friends and family, adopt and contribute to this fund at TD Bank that immediately aids the people of Ukraine who need help supporting their war-torn communities of Konotop, Kiev Suburbs, Dnipro and Chernihiv.

“Stand With Ukraine” fund was created to accumulate financial help for people specifically in need of food and medical supplies NOW, because they can't wait for the larger organizations who are unable to immediately affect these lives. To accomplish this, the Fund works with my close friends and family based in Ukraine, who have direct contact with people in need of food and medical supplies for survival. Why my contacts? Simply because they are trustworthy and 100% committed to this work.
